Easter 2022

Clear with some sunshine - groups made use of Friday afternoon to ascend a wee Graham beyond Alligan, while the coordinator nipped up her last Munro! On Sat a group ascended Beinn Dearg and along the ridge, while others set off for Applecross and the Bealach na Ba and Sgurr a'Chaorachain then a rough traverse east over to Beinn Bhan. Dinner was appreciated by all. Sunday included a coastal walk with typical Torridon scrambling. A superb meet.

Beinn Dearg approach with ridge ahead, scramble and up to the summit with -coastal view.

Superb, along the ridge with sea views
